**MERIAL Disclaimer:** Notwithstanding anything contained herein, the services provided hereunder by Merial Limited are delivered "as is" without any express or implied warranty of any kind (including without limitation, all warranties of merchantability, fitness for a particular purpose, title, and non-infringement), and Merial Limited assumes no legal liability or responsibility for the accuracy, completeness, reliability or usefulness of any information disclosed, nor does Merial Limited represent that its use would not infringe privately owned rights.

In no event shall Merial Limited or its agents or officers be liable for any damages whatsoever (including without limitation, damages for loss of profits or business interruption, or any indirect, special, punitive, consequential or incidental damages) arising out of the use of the information and data obtained through the services provided hereunder, even if Merial Limited has been advised of the possibility of such damages.

I have read this co-branded IGENITY®-North American Limousin Foundation ("NALF") Order Form (the "Form") and understand that my submission of

samples for testing from animals identified on this form authorizes IGENITY to automatically distribute test results to NALF for entry into its database, and authorizes NALF to automatically include results in NALF's performance program and genetic evaluation, publicly disclose results and mutually use samples and results in research and future product development. I further agree to indemnify, defend and hold IGENITY and the NALF harmless from and against any and all claims, causes of action, demands, liabilities or damages resulting from any of the above actions they take pursuant to the authority I have granted them under this paragraph.

**MULTI-SIRE PASTURE PARENTAGE ONLY:** Not applicable toward NALF parentage verification requirements. Please mark all calves according to Breeding Group/Pasture on the other side.

	Herd prefix, tattoo number, birth year letter	Registration prefix & number
1	ABCD 123T	NPM1234567
2
