## Get the NJLSC on DVD

One of the more memorable parts of last night's banquet was the official NJLSC highlights video. Thanks to Charlie Wiemers of Steady Shots Production for recording the week's activities and to his sponsors: P&D Ranch, Coyote Hills Ranch, Lance Hall Cattle Co., and Magness Land and Cattle. If you would like a DVD copy of the video for \$30, e-mail a note to [fujicowboy@aol.com](mailto:fujicowboy@aol.com) when you get home. After you order, allow six weeks for delivery.

## Help NALF Spread the Word

NALF needs your help to get out the news about this week. If you have not already, share your local newspaper's name and editorial e-mail address with Brad Parker ([brad@nalf.org](mailto:brad@nalf.org)) by noon Monday.

## Share Your Open-Shows Opinion

The NALF Board of Directors is deliberating whether or not Lim-Flex animals should show together with purebred and fullblood Limousin animals at the four Level 1 Medal of Excellence (MOE) open shows. The Board's objective is to maximize the overall promotional value of those events. Follow the survey link on the NALF home page ([www.nalf.org](http://www.nalf.org)), take a few minutes to study both sides of the issue, and share your opinions.

## Thanks to Our Hosts

Sincere thanks to the Texas Limousin Association (TLA) and the Texas Junior Limousin Association (TJLA) for carrying out an outstanding event and providing such generous hospitality. You certainly made this year's NJLSC a real "shindig."

Mark your calendars for July 3-10, 2010, when the NJLSC will move into Hutchinson, Kan. Plan to join us for "Fireworks on the Frontier."
